I hope you like this calendar! I spent a good amount of time on it because I like it to be custom-made. It's from May 2012-May 2013!

Use the notes section on the end for birthdays, weekend to-do lists, or whatever suits your fancy. You could probably even fit a tiny sticky note on it, if that's the way you prefer.

Write the week number in the dashed boxes!

Thank you for downloading!
